MEMBERSHIP APPLICATION

Interested in joining one of the most unique and friendly golf clubs in the country?

Sevenoaks Town Golf Club is certainly one of the most intimate at 50 members and prides itself on combining regular competition golf on Sunday mornings with fun, enthusiasm and camaraderie. You will also be playing on a classic inland links at Knole Park which often features in the top 100 courses in the UK. The setting is beautiful at all times of year as you are often in the middle of a 1,000-acre National Trust parkland which is home to two types of semi-wild deer and a former archbishop's palace. We hope anyone who joins us feels privileged to play and be here.

The profits generated from our social activities are all ploughed back into our facilities. Most recently, this has seen us invest heavily in solar panels to reduce our exposure to rising energy costs. Our clubhouse has a well stocked and very affordable bar, a spacious locker room which enables all members to have storage for their clubs if they wish at low cost, a modern kitchen and spacious showers. There is also an adjacent shed for all of us to store electric and non-motorised trolleys.

There is a strong ethos of self-sufficiency within the club as we have no steward or full-time staff. We do rely on members to assist with running the club, coming onto committee or helping behind the scenes such as in the bar, washing up glasses and stacking chairs. Helping out now and again is voluntary and part and parcel of the culture of our club. It binds us together, keeps costs down and enables us to run activities efficiently. We also run social events so that friends and relatives can be with us and take part in night golf, wine tasting, race nights, quizzes and charity days. We are keen on the game of golf but at the same time we are more than just a golf club and want those interested in joining us to feel very much at home and at ease participating in our calendar of events.

There are few barriers to joining as we will ask prospective members to come up and meet us if they do not know existing members already, have a chat and a drink with us after play on a Sunday and play with a member on a Sunday morning to give them and us a flavour of what we are both about. Unlike many other clubs, we do not currently have a joining fee to be paid on top of the yearly subscription. For details of fees and how they can be paid, ask to be referred to our treasurer for details. While we are open and welcoming, we expect our members to abide by the dress code for the golf course and our clubhouse and be good ambassadors.

New members are elected when vacancies become available and in relation to what they can contribute to the club overall. The club committee may withdraw the membership of a newly elected member within 12 months of the date of their election, without giving any reasons for doing so.
