MEMBERSHIP APPLICATION

The Sevenoaks Town Golf Club is a unique club which has been in existence since 1928. We play at Knole Park, a fantastic challenging links-like course set in 1000 acres of scenic National Trust parkland. Members at STGC. feel privileged and proud to play here and hope you will feel the same. Individuals seeking to join should be aware of the character and ethos of the membership, and our expectations of a new member.

The club has 45 members and 3 honorary members. We are a small club limited by our constitution with members mainly living and working locally. The atmosphere in the club is convivial. The clubhouse has good facilities, including a well stocked bar and club room, locker/boot room shower and toilet facilities. The original building has been extended over the years and modernised with new showers, toilets and a club room. All new members can have their own locker; a fee of £20/yr or £100 for membership-life is charged for this. There is also a shed for storing electric and non-motorised trolleys.

Our size prohibits the expense of a steward or any other staff working on a full-time basis. Because of this, members are, at times, required to help out with the running of the club. For instance: helping behind the bar; washing up glasses; stacking chairs etc. This is voluntary, but helping out now and again is part of the culture of our club. Having members with this attitude, enables the club to run efficiently and be kept in a way that is both pleasant and comfortable.

We run a number of social events at the club and we would expect new members to participate where possible. These are usually good fun and at the same time help bring in extra revenue. The money raised at these events helps us to maintain and keep our club up to date and looking good.

As you can see, being a member at the STGC. is more than just playing golf. We will expect you to be a committed club member, helping out when you can and participating in our Sunday competitions and our social events.

Our fees can be paid over a 12 monthly installments using a gold finance company, a small charge is made for this. We currently do not have a joining fee. Please speak to our treasurer for current fees.

As a prospective member, your appearance, socially at the club on Sunday mornings will be welcome and will enable current members, and the committee, to get to know you. (Please ensure your proposer or seconder can sign you in). Please be reminded there is a dress code at the club that your proposer will be aware of. We do expect all members to be dressed appropriately.

New members are elected when vacancies become available.

Please note: The committee may withdraw the membership of a newly elected member within 12 months of the date of their election, without giving any reasons for doing so.

Please complete the following application form if you wish to join.
